**MOTION – PLAINTIFF IS ASKING THE COURT TO HONOR THE REQUESTED
RELIEF**

COME NOW the Plaintiff, Dr. Patt McGuire, *pro se*, respectfully is asking the Court to honor the Plaintiff's responses to the Court's November 26, 2018 MEMORANDUM AND ORDER. The fourteen documents can be matched to each of the statements and Orders within this Court's Order on the stated dated. The Plaintiff did not write the Motions, Objections, and Request for Clarification (Motions) without the motivation from the Court's Memorandum and Order written on November 26, 2018. It is, was, the Plaintiff's intent to respond to this Court's Memorandum and Order in a complete and fair way that would represent the Plaintiff's legal rights.

In this Court's Order dated January 4, 2019, this Court made the statement that the Court carefully reviewed the documents and conclude that none provide any basis for relief. The fourteen documents were in response to this Court's Orders dated November 26, 2018. The Plaintiff's Amended Petition states the reasons for the requested relief.

Respectfully Submitted,

Dr. PATT MCGUIRE PH.D.
